About me

— — —

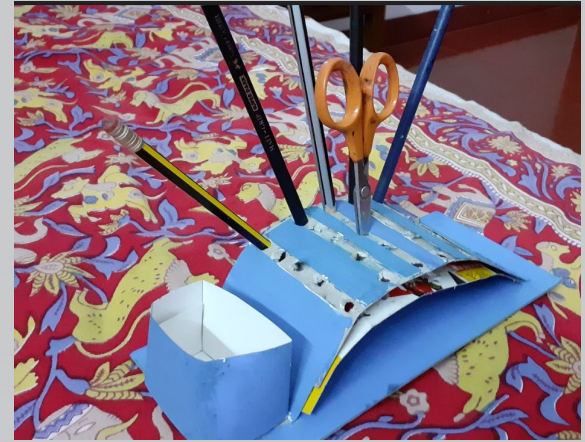

Hi, I am Anandhan R, I live in a small village called Kaiyar in Kerela with my family. I am a creative thinker with an energetic personality. I am passionate about art, particularly drawing and design. Drawing is a pleasant way for me to relax after a long exam week. I enjoy playing football. My favourite hobby is solving puzzles and brainteasers with my brother. I want to live my life to the fullest, using my talents and skills to its greatest.

MY WORKS

Pencil stand

— — —

Pencil Stand inspired from chameleon shape. This product is designed in a way for easy accessibility and using minimalist design.

Pencil Sketches

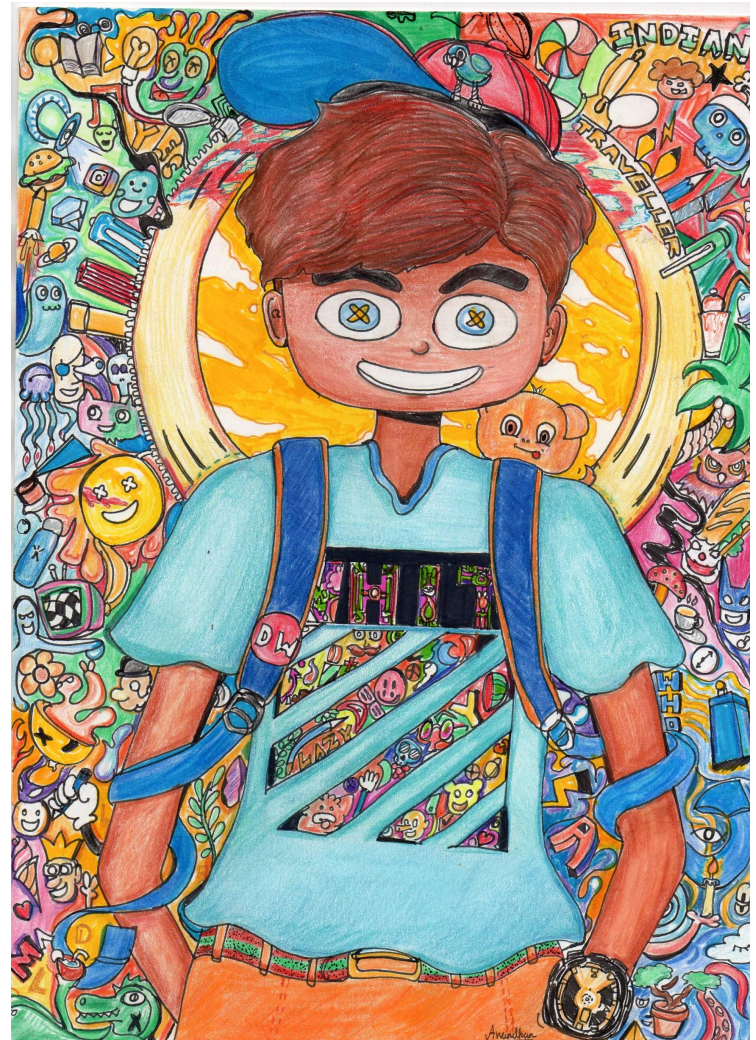

This pencil sketches are of my friends and family who inspires me to do more.

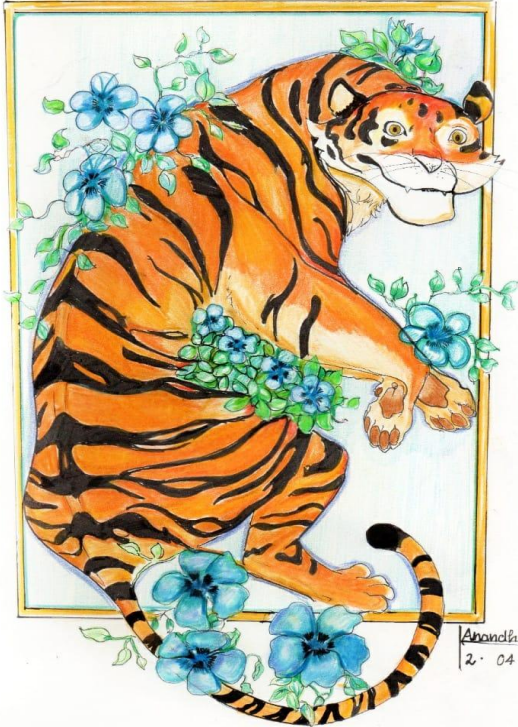

DOODLES

Doodles are some of the things i find really interesting and motivating . I find myself telling stories through doodles.

Some digital and colour sketches
